Robert W. Woodruff Debate Merit Scholarship Application

Dear Student,

We are pleased to learn of your enthusiasm for debate here at Emory. Each year, we receive inquiries from active high school debaters and prospective Emory students, like you, who are eager to learn about the Barkley Forum for Debate, Deliberation, and Dialogue, Emory University's forensic organization. We encourage and welcome your interest.

To receive additional information on our organization, go to www.barkleyforum.emory.edu. Our website will acquaint you with Barkley Forum for Debate, Deliberation, and Dialogue activities. Following is an application for the Robert W. Woodruff Merit Scholarship. Please note that you must also complete the formal application for admissions to Emory College through the Admissions Office independent of this scholarship application.

We encourage you to apply to the Emory Scholars program in addition to applying for the debate merit scholarship. The Emory Scholars is a merit based application process. Emory Scholar applications are due by November 15. (Those applying Early Decision I must apply by November 1.)

Finalists for the Robert W. Woodruff Merit Scholarship are typically invited to visit during the Woodruff Finalists program held in late March or early April.

If you have any questions or concerns about this scholarship, the Barkley Forum for Debate, Deliberation and Dialogue, or about Emory itself, do not hesitate to contact us. We will be more than happy to assist you in any way possible. Keep up the good work and best wishes for the remainder of your high school debate career.

Sincerely,

Mikaela Malsin
Director of Debate
Barkley Forum for Debate, Deliberation, and Dialogue
